PARISH MINISTRY CALL UP

“Petrie Catholic Community is a dynamic, growing Christian church committed to bringing the message of Jesus Christ to all.” This is the vision of our church. We jointly can accomplish this vision by partaking in the mission of Jesus. Jesus is the only way to God and He was sent by God to liberate us from our sins. As per the will of His Father God, Jesus sacrificed His life on the cross for our sins and died for us. During His earthly life, Jesus preached the Good News (Gospel) that God the Father is loving, forgiving, caring, and merciful. Jesus chose twelve disciples to be a part of His public ministry. They were simple, ordinary, hard-working people as assistants for His ministry. While Jesus ascended to heaven, He entrusted each one of us with the responsibility of sharing the Gospel. Like disciples, we also must respond to God’s call and accept our spiritual responsibility with total commitment.

As stated in our vision statement, our church is dynamic and growing with a commitment to impact the lives of many by spreading the love of Christ to all. We are blessed with dynamic parish members who are the backbone of our parish. We are blessed with many parishioners who have volunteered to serve our church in different capacities to achieve our vision. I appreciate their hard work and express my heartfelt gratitude to each one of them for their tireless contribution towards the growth of our church. Their contributions made a significant growth and difference in our church and church functioning. Without their support, many things would not have been possible.

Volunteers play a vital role in the success of any church community. Their dedication, passion, and selfless contribution create a warm and welcoming environment where members can grow spiritually and support each other. We are to spread the message of Jesus to people around us. Our mission to achieve our vision is through constant prayer, ministry, and service to the needy which can only be executed through our excellent hospitality, shared Leadership, and voluntary contribution in various church ministries.

Our parish is a dynamic and growing community with a commitment to impact the lives of many by spreading the love of Christ to all. Church is more than a weekend Mass experience. God has gifted each one of us with talents through which we can be a blessing to our parish community.

I encourage each of you to discern how you can give of your time and gifts to our parish ministries and groups to contribute to the life of the parish and to make serving God a bigger part of your everyday life.

Our Ministry Call up will be held at all weekend Masses on the 16th & 17th March.

Many Blessings and Prayers,

Fr Geo Francis MCBS

PRAYER FOR PEACE

Loving God,

We earnestly pray for peace and stability in Myanmar amidst the ongoing internal conflict.

Our hearts grieve for the children and families enduring displacement, fighting with hunger and poverty.

Hear the prayer of these children and families and respond with the support they desperately need.

May your love and warmth reach those who are most in need.

In your mercy, grant peace and perseverance to the internally displaced children and families, providing them with the necessary resources for survival.

We pray for the restoration of community and an end to conflict, allowing children and families to feel secure once again.

Grant families the strength and perseverance they need as they travel through these challenging times.

May your guiding light lead them towards hope and a brighter future. Amen.

WHY WE DO THE THINGS WE DO

The Parish

If a hallmark of the Church is its love and unity, how does this happen in practice? How can millions of Catholics all over the world love one another?! Part of the answer is that the universal Church is comprised of many small cells of community. Individual members experience love and unity at a local level. One way this happens is through the parish. The word *parish* come from the Greek word *paroukia* ('district') which, in the early Church referred to a section of the Christian population under the leadership of the bishop; that is, the equivalent of the modern diocese. From the late 14th century, however, it applied to subdivisions of the diocese.
